

TRAINING

WAC 246-976-021 Training course requirements.

(1) **Department responsibilities:** The department will publish procedures for agencies to conduct EMS training courses, including:

- (a) The registration process;
- (b) Requirements, functions, and responsibilities of course instructional and administrative personnel;
- (c) Necessary information and administrative forms to conduct the course;

(2) Training agency responsibilities:

- (a) **General.** Agencies providing initial training of certified EMS personnel at all levels (except advanced first aid) must:
 - (i) Have MPD approval for the course content;
 - (ii) Have MPD approval for all instructional personnel, who must be experienced and qualified in the area of training;
 - (iii) Have local EMS/TC council recommendation for each course;
 - (iv) Have written approval from the department to conduct each course;
 - (v) Approve or deny applicants for training consistent with the prerequisites for applicants in WAC 246-976-041 and 246-976-141.
- (b) **Basic life support** (first responder, EMT). Agencies providing initial training of basic life support personnel must identify a senior EMS instructor to be responsible for the quality of instruction and the conduct of the course.
- (c) **Intermediate life support** (IV, airway and ILS technicians). Agencies providing initial training of intermediate life support personnel must:
 - (i) Have a written agreement with the clinical facility, if it is separate from the academic facility;
 - (ii) Ensure that clinical facilities provide departments or sections, personnel, and policies, including:
 - (A) Written program approval from the administrator and chief of staff;
 - (B) A written agreement to participate in continuing education;
 - (C) Supervised clinical experience for students during the clinical portion of the program;
 - (D) An orientation program.
- (d) **Paramedics.** Agencies training paramedics must be accredited by a national accrediting organization approved by the department.

- (3) **Course curriculum.** The department recognizes the following National Standard EMS training courses published by the United States Department of Transportation as amended by the department:
